## Master Flame™ Fire Pit Safety Screen

Welded Carbon Steel Fire Pit Screen Shown

Exclusive from Aspen Industries, the Master Flame brand Fire Pit Safety Screen is available for either square or round fire pits. It keeps hazardous embers from sparking and scattering around the gathering area, yet allows the warmth and lively glow of the fire to come through. The hinged design allows access for simple fire management.

### Features

- Welded Carbon Steel or Stainless Steel Option
- Dome or Square-Shaped
- 24" to 56" Diameter or Square
- Hinged Access Panel
- Custom Sizes Available

Aspen Industries also manufactures Master Flame brand fully-vented gas log fireplace burner systems with pilot, temperature modulating, ignition control and log style options

# Master Flame™ Fire Pit Safety Screen

## Master Flame Brand

The superior craftsmanship and quality of Aspen Industries' Master Flame brand is now offered in a line of Fire Pit Safety Screens.

- Prevent sparks and embers from flying out of pit – even with wind
- Keep unwanted items out of the fire
- Helps prevent accidents, contains incendiary sparks, ash and soot
- Prevent direct contact with open flame
- Will help comply with local ordinances

## Superior Heavy Duty Designs

Master Flame Fire Pit Safety Screens are built for years of enjoyment.

### High grade carbon steel models

- 1/4" x 1" solid steel flat bar framework
- Steel mesh screen
- Stainless steel hinges on hinged models
- High heat-resistant electrostatically applied finish

### Stainless steel models

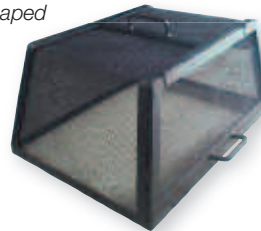

- 1/4" x 1" solid stainless steel flat bar framework
- Stainless steel mesh screen
- Specialized anti-rust welding
- Stainless steel hinges on hinged models
- High heat-resistant electrostatically applied finish

## Hinged Models

*Hinged Fire Pit Screen Round*

*Hinged Square-Shaped Fire Pit Screen*

## Dome Model

*Dome-Shaped Fire Pit Screen (No Hinge)*

## Sizing: 24" to 56" Diameter or Square

- Custom sizes or rectangular-shapes available
- Height is proportional unless specified
- Predetermined size easily mounts to fire pit

### How to determine size

- For Round: Measure pit diameter and add 4".
- For Square/Rectangular: Add 2" to inside pit dimensions (2" to length and 2" to width)

### Warranty

Master Flame Fire Pit Safety Screens are warrantied one year. No warranty on paint - normal weathering and some discoloration may occur depending upon materials burned.
